

Bright Stores, Inc.
Simple Stores Order Management Agreement

This Agreement sets forth the User Accounts and Simple Store Order fees to be provided by BSI and is hereby incorporated into and made an integral part of the Agreement between BSI and Customer, which Agreement includes the Terms and Conditions.

1. **Simple Store Account User Fee.** For each Simple Store User Account, Customer will pay user fee each calendar month as follows: 1st Simple Store User - \$0 per month. For each additional Simple Store User Account past the 1st User, \$29 per month per user.
2. **Bright Order Management Account User Fee.** For each Bright Order Management User Account, Customer will pay user fee each calendar month as follows: \$79 per month per Bright Order Management User.
3. **Simple Store Order Charges.** All Simple Store orders will be charged per order each calendar month as follows: Orders 1-999 charged at \$0.50 per order. Orders 1,000-2,499 charged at \$0.30 per order. Orders 2,500+ charged at \$0.20 per order.
4. **Support Services.** BSI agrees to supply Support Services for Customer for as long as Customers account is in good standing and is current.
5. **Professional Services.** Customer agrees that Customer has read, understood and reviewed the Professional Services section of the Terms and Conditions online at <http://brightstores.com/terms-of-service.html>.
6. **Terms and Conditions.** Customer agrees that Customer has read, understood and reviewed the Terms and Conditions online at <http://brightstores.com/terms-of-service.html>. The parties expressly agree that the Terms and Conditions are incorporated herein by reference.
7. **Payments.** Payment shall be paid each month using Bright Stores Credit Card Auto-Pay system during the term of this Agreement. User charges begin the day the User Account is created in the Bright Order Management system and will continue until the user is deleted. Order charges are counted by calendar month and charged per order. Customer will obtain and manage invoices and payments via the BrightStores billing system. Bright Stores will create a Billing System account for customer and e-mail access information. At that point, Customer must sign up for Credit Card Auto-Pay in our billing system.
